

Project No: 2021-1-BG01-KA220-YOU-000029634

Project Title: Take Action, Create the Change!

Project Acronym: TACC

Project start date: 01/12/2021

Project end date: 01/12/2023

General Info:

The project will implement a comprehensive multi stages program on leadership and advocacy skills focusing on youth participation and civic engagement, involving youth workers from (Bulgaria, Turkey, North Macedonia, Poland, Belgium, Sweden, and Germany).

Objectives:

To strengthen the organizational competences of the participating organization to promote youth participation and civic engagement in various scales and formats and to support active citizenship of young people, particularly young people at risk of social exclusion, through developing their capacities, as well as the leadership and advocacy skills of the youth workers from the partner countries.

To help the participating organizations work effectively with adolescents and youth ensuring that disadvantaged groups are addressed, and to ensure that they are meaningfully engaged and actively participate as partners in the development and implementation of policies, programs, and processes that affect them, in accordance with the core values and principles of the EU Youth Strategy 2019 2027: engage, connect and empower.
